A Wave of the Sea

Joseph Mary Plunkett

I am a wave of the sea

And the foam of the wave

And the wind of the foam

And the wings of the wind.

My soul's in the salt of the sea

In the weight of the wave

In the bubbles of foam

In the ways of the wind.

My gift is the depth of the sea

The strength of the wave

The lightness of foam

The speed of the wind.
