Wonderful Teachers                      By Amber Rainer

Teachers at school may get onto you.  
 They may yell and fuss  
 But they love you like crazy and they would do anything to help  
 Teachers wonder and wonder but no one tells  
 When you let it go you start to wail  
 Teachers are always there to help you out  
 If you can't talk to your parents  
 Find a teacher you trust  
 They can help you a lot if you're in a bad crunch!  
 Trust teachers when you're in a really bad time  
 They will help you throw life and death situations  
 They really do care!  
 Give them a chance!
