Wonderful Teachers By Amber Rainer

Teachers at school may get onto you.  
They may yell and fuss  
But they love you like crazy and they would do anything to help  
Teachers wonder and wonder but no one tells  
When you let it go you start to wail  
Teachers are always there to help you out  
If you can't talk to your parents  
Find a teacher you trust  
They can help you a lot if you're in a bad crunch!  
Trust teachers when you're in a really bad time  
They will help you through life and death situations  
They really do care!  
Give them a chance!
