Wonderful Teachers

By Amber Rainer

- Teachers at school may get onto you.
- They may yell and fuss
- But they love you like crazy and they would do anything to help
- Teachers wonder and wonder but no one tells
- When you let it go you start to wail
- Teachers are always there to help you out
- If you can't talk to your parents
- Find a teacher you trust
- They can help you a lot if you're in a bad crunch!
- Trust teachers when you're in a really bad time
- They will help you throw life and death situations
- They really do care!
- Give them a chance!

Wonderful Teachers By Amber
Teachers at school may get onto you.
They may ~~yell~~ yell and fuss
But they love you like crazy and
they would do anything to help.
When you let it go you start
to wail

Teachers are always there to help you out
If you can't talk to your parents
Find a teacher you trust
They can help you a lot
if you are in a really bad
time

They will help you throw life
in death situations.

They really do care!
Give them a chance!
