“A Smile” by Jez Alborough

Smiling is infectious,
You catch it like the flu.
When someone smiled at me today
I started smiling too.
I passed around the corner
And someone saw my grin.
When he smiled, I realised
I'd passed it on to him.
I thought about my smile and then
I realised its worth.
A single smile like mine could travel
Right around the earth.
If you feel a smile begin
Don't leave it undetected.
Let's start an epidemic quick
And get the world infected.
