"A Smile" by Jez Alborough

Smiling is infectious,

You catch it like the flu.

When someone smiled at me today

I started smiling too.

I passed around the corner

And someone saw my grin.

When he smiled, I realised

I'd passed it on to him.

I thought about my smile and then

I realised its worth.

A single smile like mine could travel

Right around the earth.

If you feel a smile begin

Don't leave it undetected.

Let's start an epidemic quick

And get the world infected.
