**"A Smile" by Jez Alborough**

Smiling is infectious,  
You catch it like the flu.  
When someone smiled at me today  
I started smiling too.  
I passed around the corner  
And someone saw my grin.  
When he smiled, I realised  
I'd passed it on to him.  
I thought about my smile and then  
I realised its worth.  
A single smile like mine could travel  
Right around the earth.  
If you feel a smile begin  
Don't leave it undetected.  
Let's start an epidemic quick  
And get the world infected.
