**Ways to show our love to our family**

There are various ways to show our love and care to our family.

First, you need to do housework to keep your house clean. You should be polite to your family members so that your family member will not think you hate them.

You should always help your family members to do housework because they are tired. If you help them, they will feel glad. If they feel glad, you will have a nice family.

Finally, and the most important thing is that you should always talk to your family about what you have done and they will think you love them. Share with your family. This can let them know you love them because you want to be close to them.

These are all the ways to show your family you love them. I hope you will have a lovely family.
