Good morning Principal, Vice-principals, teachers and fellow schoolmates. Today I would like to share with you my experience in the Chinese choral speaking competition of the Speech Festival.

I like Chinese choral speaking because of the special stress & intonation. In Form one and two, I also participated in the Chinese choral speaking. We won the championship and I was overjoyed.

This year, my team-mates and I spend lots of time and put much efforts in our training as we want to be the champion again. We had our competition two weeks ago. Since I am the team leader, I was extremely nervous when the adjudicator announced the result. Luckily, we manage to keep the title of the champion again for three consecutive years. I felt relieved.

Here, from the bottom of my heart, I would like to take this opportunity to thank all the teachers for their support and guidance. I will participate in the Speech Festival every year until I graduate. I hope I can win more awards for Ng Wah in the future.

This is the end of my sharing. Thank you!
