My name is Edward Li and I am 12 years old. I live in Wong Tai Sin. There are three rooms in my house. My favourite room is my bed room because I can sleep there and play computer games there. I enjoy sleeping. I have two sisters. I also have two goldfish. Their names are handsome and beautiful. On the weekends, I always play basketball and go swimming with my friends. I think doing exercises keeps me healthy. I like to visit the Ocean Park. I go there once a year with my friend and family. My birthday is on the 29th of July. I enjoy eating chicken legs and chicken wings. I want to be a doctor when I grow up because being a doctor can help many people. If I can help people, I would feel very happy.
