22<sup>nd</sup> January, 2009

Good morning Principal, Vice Principal, teachers and fellow-schoolmates. Today, I would like to talk about Chinese New Year. Chinese New Year is coming soon. I think everybody knows this festival very well. I love Chinese New Year so much, because I can get a lot of red pocket money. And also there is a lot of delicious food for Chinese New Year, for example, Chinese New Year cakes, melon seeds and Chinese turnip cakes. Some people will go to (Lam Tsuen's wishing trees) to make a wish for the new year.

A visit to the (Lam Tsuen Wishing Trees) is a great way to take part in a local Chinese tradition. These two famous banyan trees are favourite with local villagers who come to burn joss sticks and incense papers hoping their wishes will come true. During Chinese New Year, many Hong Kong people go to this spot to make their Chinese New Year wishes by tying wish making papers onto the wooden racks beside the trees. Taking part in this tradition and your wish may come true.

Do you know where Lam Tsuen is? Let me tell you, Lam Tsuen is in Tai Po. You can take the MTR to Tai Wo and then take a taxi to go there. I suggest you all pay a visit for Lam Tsuen, I think it is a good activity for Chinese New Year. On the second day of Chinese New Year, Hong Kong has a fireworks display at Victoria Harbour. I hope everybody has a very happy Year of the Ox. Thank you.
