Good morning Principal, Vice-Principals, teachers and schoolmates

Today, I will share my experience in the Chinese New Year. In the holiday, I went to Guangzhou to see "Red Wall". "Red Wall" is my favourite movie. The movie stars are very good. The theme is a historical one.

I love History so much! This movie was great and I was very much attracted. After watching the movie, I went to my uncle's home to have lunch. My cousins made us laugh by telling jokes.

It was my happiest day in the Chinese New Year holiday. This is the end of my sharing. Thank you.
