

## *The Importance of Money*

Good morning Principal, Vice-Principals, teachers and fellow schoolmates.

Today, I would like to take this opportunity to share with you about the importance of money. As is known to all, possessing a lot of money doesn't mean that you will be happy. But money is fundamental to good life. Some may argue that health is the most vital thing. However, except for the sudden terrible accidents or disasters, money can contribute to better health. There are all sorts of medical treatment that a regular prevention treatment can make you healthier.

Why did I tell you that money is really important? This is because I want to let you know studying hard is the most effective way to earn more money and improve your life! So boys, let's put more effort into our academic work. I hope this sharing can give you an insight to have more motivation to study hard. This is the end of my sharing. Thank you.
