

Time

Good morning, Principal, Vice-Principals, teachers and fellow schoolmates.

Do you have a watch? Look at it and wait for five seconds. 1 2 3 4 5.

What have we done in these five seconds? We wasted time. Time is running fast. However, how can we make good use of our time? Here is one tip for you. Make a list of all the things that you need to get done in a given time. Even for a day, a month or a year. It sounds inconvenient, but that is important for us to manage time. We can have a clear plan in our mind to complete those things. Therefore, time will not be wasted. I hope you can make good use of your time and don't waste it anymore.

Thank you.
