

The Hong Kong School Speech Festival

Good morning Principal, Vice Principals, teachers and fellow schoolmates.

I would like to take this opportunity to share with you the advantages of joining the Hong Kong Schools Speech Festival. I have joined the Speech Festival for six years. This is a golden chance for me to improve my speaking skills. For example, during the process of practicing, teachers can help to correct my English pronunciation. In this way, I can develop my confidence in speaking English.

Besides, by participating in the Speech Festival every year, I learned how to work co-operate with others and develop team spirit among my classmates. Most important of all, it helps to develop a sense of belonging to our school. I would like to express my gratitude to all the English teachers for helping our schoolmates to prepare for the Speech Festival throughout the year.

The 62nd Speech Festival is coming. May I take this chance to wish all the participants every success in all competitions ahead. Thank you.
