

## *Easter*

Dear Principal, Vice-Principals, teachers and fellow schoolmates,

Easter is coming. When you are enjoying your Easter holiday, will you also think about why we should celebrate Easter? Easter commemorates the resurrection of Jesus Christ. Jesus Christ was crucified on Good Friday and was buried in a cave. The tomb was guarded; but three days later, it was empty. Jesus was resurrected, and he came back to life.

Easter symbolizes new life, a new start. My dear schoolmates, do you think you have worked hard enough in the previous school terms? Do you think you have treated your friends and family good enough? If you don't, please take this good chance to make a new start. Try to make a new plan to make your life more meaningful in the Easter holiday. Thank you.
