

My School

Good morning Principal, Vice-Principals, teachers and fellow students,

I am Edwin Lam from 1A. I want to share with you my feelings for Ng Wah. I think Ng Wah is an interesting place. My favourite place of the school is the playground. My classmates and I always play games there. The school is very nice too because my classmates are helpful. They are very clever too, so I have to work harder on my studies. I like the playground. I like my classmates. And I like the Ng Wah family! I look forward to discovering new funs in Ng Wah every day. Thank you.
