

My School

Good morning Principal, Vice-Principals, teachers and fellow students,

I am Wong Kin Sing from 1A. I want to share with you my feelings for Ng Wah. When I first came to this school, I met some severe-looking people. I was scared. But later, I met a lot of kind teachers and nice classmates. I also made some great friends. They are helpful. I have a good time in Ng Wah. My favourite place of the school is the classroom because I can learn many things and play with my best friends. I love Ng Wah. I look forward to meeting new friends in Ng Wah every day. This is my sharing. Thank you.
