

My School

Good morning everyone!

Today I would like to talk about my school. I'm studying in Ng Wah Catholic Secondary school. It is a boy school. There are six floors. I enjoy studying in Ng Wah Catholic Secondary School because I have a lot of friends and I like the teachers there. At recess, I go to the playground to play games with my classmates. After lunch, I go to the library to read some books or to do homework with my friends.

I like the library most because it's comfortable and they're different kinds of books there.

This is the end of my sharing. Thank you!
