

My Favourite Movie

Good morning Principal, Vice Principals, Teachers and fellow Schoolmates,

Today, I would like to introduce a movie called Little Big Master (五個小孩的校長). This is about a kindergarten principal, Principal Lui, who is willing to teach in a kindergarten with only five children. They all come from poor families. Principal Lui not only teaches them patiently, but also helps them with their family matters after school. More importantly, she only gets \$1500 a month as her salary! The children and their parents love her very much. When the fame of Principal Lui spreads, more and more children go to study at her kindergarten.

I love this movie because it is touching. The love and care that Principal Lui has given is a great support to the children, so she is my favourite character.

This is the end of my sharing. Thank you.
