

**My Favourite Book**

Good morning, Principal, Vice Principals, teachers and fellow schoolmates. I am Anson Li, from 1B.

Today, I would like to share my favourite book with you. The Dark Knight is about a superhero, Batman.

I like this book, firstly, because I like superheroes books and movies. Most superheroes, like Superman or Spiderman have superpowers, but Batman has NO superpowers. Yet he has super commitment to his job, which is to protect the weak. He is also super smart. Batman, one way or another, is stronger than any other hero.

This book is also about right and wrong. We must try to do the right things and not to do the wrong things.

That's the end of my sharing. Thank you.
