

My Favourite Book: Captain America

Good morning Principal, Vice Principals, Teachers and fellow schoolmates.

Today, I will introduce a story called Captain America. In New York City, Steve Rogers was rejected by the military in the recruitment of soldiers for World War II because of various health and physical problems. He was upset at first, but he then joined a "super-soldier" experiment led by some experts. Steve becomes taller and more muscular, and becomes famous in the military. Steven Rogers is then called Captain America.

This is the end of my sharing. Thank you.
