

Myself

Good morning Principal, Vice Principals, Teachers and fellow schoolmates.

My name is Chau Ho Wan. You can also call me Owen. I am twelve years old. I live in Wong Tai Sin. I have five family members.

My favourite subject is English. I am good at playing football, basketball and running. In my spare time, I usually play football with my friends.

Let me tell you about my secondary school life. I really enjoy it. My new friends are very kind. We always share our primary school life and we usually go to school and eat lunch together.

Finally, I will tell you how I spend my free time at home. I like playing PS4 games or listening to hip hop music. Sometimes I go to a football pitch to practise my football skills. This is the end of my sharing. Thank you for your listening.
