

My Favourite Novel : The One in the Middle Is the Green Kangaroo

Good morning, Principal, Vice-Principals, Teachers and Schoolmates.

Today I would like to share a book with you called “The One in the Middle Is the Green Kangaroo”. It is about Freddy Dissel who has two problems. One is his older brother Mike. The other is his younger sister Ellen. Freddy thought a lot about being the one in the middle, but there was nothing he could do about it. He felt like the peanut butter part of a sandwich, squeezed between Mike and Ellen.

One day, Freddy was playing with Ellen when she suddenly, Ellen started to cry. Their mom came in and yelled “Freddy! You shouldn’t be mean to Ellen. She’s smaller than you. She’s just a baby”. Ellen didn’t look like a baby to Freddy. She didn’t sound like a baby either. She even goes to nursery school, Freddy thought.

This story tells us not to bully others; you have to take care of your brother or sister. That is the end of my sharing. Thank you.
