

My Favourite Novel : Adventure at the castle

Good morning, Principal, Vice-Principals, Teachers and Schoolmates,

Today I would like to share with you my favourite book: Adventure at the castle.

The book is an adventure. The story is about two boys John and Simon who go on holiday to do some camping and fishing. Near the river, they saw someone on the top of a castle using a mirror to reflect the sunlight. In fact a boy was asking for help. The boy threw some bottles into the river and when John and Simon picked up one of the bottles and there was a message inside saying the boy's uncle was ill and they needed help. John and Simon decided to help the boy at once. They called the police to ask for a doctor. In the end, the uncle was sent to hospital.

My favourite character is John because he is brave, smart and helpful. The best part of the book is when John and Simon meet many challenges when saving the uncle.

I like this book because the story is exciting and interesting. I also learnt the importance of helping others in need.

This is the end of my sharing. Thank you!
