

My Favourite Novel : Finding Dory

Good morning, Principal, Vice-Principals, Teachers and Schoolmates,

Today I would like to share with you my favourite book : Finding Dory

The story is about a blue fish, Dory, who is separated from her parents as a child. As she grows up, Dory remembers that she has parents so she decides to look for them. But her poor memory is a problem. In the adventures as she searches for her parents, Dory faces many difficulties. Luckily, with the help of Nemo and some other sea animals like an octopus, a whale shark and a white whale, Dory is finally reunited with her parents.

I like this book because the pictures inside are very colourful and beautiful. It has a happy and touching ending. I also learnt about the true meaning of family love.

This is the end of my sharing.
