

My Favourite Book : Fantastic Mr. Fox

Good morning, Principal, Vice-Principals, Teachers and Schoolmates,

Today I'm going to share with you my favorite book. It is an amusing novel about the battle between Mr. Fox and these cruel farmers. It is called Fantastic Mr. Fox and was written by Roald Dahl.

Mr. Fox is a savvy fox daddy with a wife and four kids. In order to ensure his whole family can eat; he breaks into the farmer's homes and steals food day after day. One day the farmers track Mr. Fox to his home. They try to destroy Mr. Fox's home with a mechanical digger. Luckily, Mr. Fox and his family dig into underground to escape from the farmers, however, Mr. Fox's tail was severed while he was protecting his family.

When I read this part, I cried. Mr. Fox was a great dad and I want to be like him in the future. The reason why I like this book is not only for its amusing story also it's the special meaning behind the story as well.

Have you ever thought about how tired your parents are before you ask them to help you? Have you ever thought about how sad your parents are before you shout at them?

Fantastic Mr. Fox is an awesome story because it shows how great parents are. If you want to know the ending of the story about Mr. Fox and his family you can borrow the book from the library.
