

My Favourite Novel : 'Warrior'

Good morning principal, vice principals, teachers and fellow schoolmates.

I am Leon from 4A. Today, I would like to share one of my favourite books to you. It is 'Warrior'. The main character of this book, Rusty, is a bored housecat, until the Thunder Clan tribe of wildcats from the nearby forest invite him to train as one of their warriors.

Renamed as Firepaw, the cat learned how to hunt prey, recognize the scents of enemy clans and to respect the other wildcats. As trouble happens, Firepaw proves his wisdom and strength in battles by protecting his clan from enemies, including some he finds living among them in his own clan.

After Firepaw saved his clan from another evil leader, his mentor, Bluestar, makes him a fully-fledged warrior and renamed him as Fireheart. If you want to know the ending of this book, you may borrow it from the library. Thank you very much.
