

**My Favourite Novel : Night at the Museum : The Secret of the Tomb**

Good morning, Principal, Vice-Principals, Teachers and Schoolmates,

I am Hung Man Hin from 4B. I am going to tell you about a book called “Night at the Museum: The Secret of the Tomb.” I chose this book because it is an interesting story. I think you would like to read this book as well.

The story follows the adventures of a group of heroes in New York.

Larry Daley is a night-watchman at the Natural History Museum. He gets a horrible fright, late one night, when all the dinosaur skeletons come to life! Larry and his friends have lots of scary adventures as they fight monsters, snakes, and even face a volcanic eruption. The story is scary in places but it is a good read.

The original picture book has been published as a novel. It has also been made into a film. Perhaps you have seen the film? The story very good and has positive messages for us about friendship and loyalty.

Try to read this book for yourself. It’s called : “Night in the Museum: The Secret of the Tomb” and it is written by Milan Trenc.

That is the end of my sharing.
