

**My Favourite Novel : A Street Cat name Bob**

Good morning Principal, Vice Principals, Teachers and schoolmates

Today, I want to share with you my favorite book, 'A Street Cat named Bob' by James Bowen. This story is about people who change their lives for the better, and the special thing about this story is the cat that changes James life.

When James first finds Bob on the doorstep of his apartment building, he does not know how much this orange cat will change his life.

Step by step, Bob helps James to get out of drug addiction, Bob is James' emotional support and without him, I think James would have died.

I love this book, because it touches my heart. The bond between James and Bob is so incredible. In the book, when James suffers, Bob looks at him and inspires him every time. Life is hard, but there is always a way. This is the end of my sharing. Thank you
