

CHIN LOK YIN (6B-9)

Good morning Principal, vice-principals, teachers and fellow students,

I am Chin Lok Yin from 6B. Today I'd like to share a book named 'Yes man', with you. 'Yes man' is written by Danny Wallace. The story is about a bank clerk, Allen, who always denies and says 'NO' to everything. He doesn't get along well with other people. He has negative thoughts toward his boring life. Later, Allen joins a talk which is about saying 'YES' to everything. Since then, he has to say yes to all invitations and requests. His life begins to be wonderful and colorful.

I have learned more about life through reading this book and Allen's life. I was once the same kind of person as Allen. I always deny everybody and say no to them. After reading the book, I have tried to open my mind and accept my friends' invitations. My life has become more exciting. I am more open to upcoming challenges and I am willing to take risks in my life. I am ready to step out of my comfort zone.

I highly recommend this book, 'Yes man', to you because it is entertaining and interesting. The book is suitable for all ages. The plot is simple and easy to follow. Surely, you can release the stress by reading this book.

That's the end of my sharing. Thank you!
