

### **My Favourite Novel**

Good morning, Principal, Vice-Principals, teachers and my fellow schoolmates,

I am Fan Tsz Chung from S6B. Today I would like to share my favourite English novel with you. This book is Harry Potter and the Philosopher's Stone which was written by J. K. Rowling. The novel described Harry Potter's life when he was 11 years old. Everything changed when a mysterious letter arrived by an owl messenger. This was a letter with an invitation to a wonderful place Harry never dreamed existed. This book is a joy to read because all the characters in this book remind us the people we have met in reality. You are easily identified with Harry, especially with his initial feelings of isolation and not belonging.

If you have time, please go to the school library and try to read this wonderful novel and enjoy its story. This is the end of my sharing. Thank you!
