Good morning

# Let us pray

In the name of the Father,  
and of the Son,  
and of the Holy Spirit.  
Amen.

Our Father in heaven, holy  
be your name. Your kingdom  
come, your will be done, on  
earth as it is in heaven.

Give us today our daily bread, and forgive us our sins, as we forgive those who sin against us. Do not bring us to the test, but deliver us from evil. Amen.

In the name of the Father,  
and of the Son,  
and of the Holy Spirit.  
Amen.

## 6D Kwok King Sing

My Favourite  
Singer

Freddie Mercury

Hello, everyone.

Today, I would like to talk about my favourite singer and songwriter. He is called Freddie Mercury. Freddie was not only a British singer and songwriter, he was also a famous record producer, and the vocalist of a rock band.

Regarded as one of the greatest singers in the history of rock music, he was known for his flamboyant stage persona.

Born in 1946 in Zanzibar, he attended English-style boarding schools in India from the age of eight and returned to Zanzibar after secondary school. Having studied and written music for years, he formed the band "Queen" in 1970.

Mercury wrote numerous hits for Queen, including "Killer Queen", "Bohemian Rhapsody", "Somebody to Love", "We Are the Champions", "Don't Stop Me Now", and "Crazy Little Thing Called Love".

His charismatic stage performances often saw him interact with the audience, as displayed at the 1985 Live Aid concert. He also led a solo career and served as a producer and guest musician for other artists.

I like Freddie because he was brave enough to face all problems in his life. The first was Bohemian Rhapsody's initial reaction. It did not have many fans. As time passes on, this song has become UK's third best selling single of all time and even reached 1 billion views on Youtube.

The other example was when Freddie's life was slowly decaying due to complications from AIDS, he still persisted to make a final album "Made in Heaven" before passing away.

I have learnt from him that we should have patience for all the tasks in our life. We need to overcome all tasks even if the results at first were mixed  
Thank you.

Let us hear Freddie's most popular song together now. It is called "Bohemian Rhapsody"
