**GOOD
MORNING**

Let's Pray

**In the name of the Father,
and of the Son,
and of the Holy Spirit.
Amen.**

**Help me today, O Lord,
to keep my temper and
to control my tongue;
To keep thoughts from
wondering and mind from
straying;**

**To quarrel with no one and
to be friends with everyone.
So bring me to the end of the
day with nothing left
undone.**

**Through Christ,
Our Lord,
Amen.**

Tony Leung Chiu Wai

Tony Leung Chiu-Wai is a Hong Kong actor and singer. He is Asia's most successful and internationally recognised actor. He has won many international acting prizes and he was named by CNN as one of "Asia's 25 Greatest Actors of All Time".

I never knew who he was until I watched the latest Marvel Movie: Shang-Chi and the Legend of the Ten Rings. Leung is the first Hong Kong actor to star in a Marvel film. His character, Wenwu, spent much of his supernaturally extended life conquering the world because of the ten deadly rings he wears on his arms. I searched through the Internet and I learnt many wonderful things that directors and other people said about him.

Leung has a set of awards that he has won in a career that began in the 1980s. He won the Best Actor award at the Cannes Film Festival for In the Mood for Love. He is also a seven-time winner at the Hong Kong Film Awards and three-time winner at the Golden Horse Film Awards, holding the record for most awards in the Best Actor category. According to directors and other people that he worked with, they said that

He is able to convey so much with a single look, he is polite trait and the most important personality that he has is that he is very dedicated to acting and willing to sacrifice time to learn things that will be good for the movie. He enjoys the pleasure that acting brings to him. He once said

“I've never been satisfied with any film that I've starred in. I always think my next film will be better. I guess it's motivation for me to improve.”

Just like Tony Leung, I think we should enjoy what we do because, through it, we will be satisfied with task that we are doing. To be able to enjoy the future, we must be prepared for tough work ahead.
