**Good
Morning**

Two orange sun icons are positioned on the page. One is located above the word "Good" and the other is located below the word "Morning". Both suns have a central circle and several short, radiating lines.

Let's us pray

In the name of the
Father, and of the
Son, and of the Holy
Sprit. Amen.

Let's us pray

Our Father in
Heaven, holy be your
name.

You Kingdom come.
Your will be done on
earth as in heaven.

Let's us pray

Give us today our daily bread.

Forgive us our sins as we forgive those who sin against us.

Let's us pray

Do not bring us to the
test but deliver us
from evil. Amen.

Let's us pray

In the name of the
Father, and of the
Son, and of the Holy
Sprit. Amen.

*My favourite singer – Kenng To
50 Chan Kai Chi*

Keung To, a rising Hong Kong male singer and actor, received the "My Favourite Male Singer Award" and "My Favourite Song Award" at the Ultimate Song Chart Awards Presentation, becoming the youngest person to win the **coveted** prizes.

Keung To used to weigh about 90kg and suffered from low self-esteem.

He, won King Maker's top award, is Mirror's best-known member.

Mirror is currently HK's hottest Canto-pop group. They formed in 2018 after members took part in the reality show competition 'King Maker'. Mirror's popularity represents a **rebirth** of Canto-pop in HK.

Three years ago, nobody could have **predicted** Mirror would be where they are today.

In the past two years, the social unrest and Covid-19 **pandemic** have caused a lot of people to have negative feelings.

But now these artists are giving us positive energy.

Keung To once said, 'Our target is not HK, we want to be number one in Asia.' He says his future music style may not just focus on love songs and he might have more songs speaking out for young people.

In August, 2021, Keung To released a song "Dear My friend". The song heals the souls that are **grieving** for the loss of their beloved. It seems that he is telling us a story gently and softly, but with the **subtle** changes in his tone, we can feel the flow of his emotions.

Keung To made it to this year's Tatler Asia's Most Influential List which was released on Dec 6, 2021. According to the magazine, the 300 individuals from HK, Singapore, Malaysia, Taiwan, Indonesia and the Philippines were selected because they 'push for positive change and have **relevance** in their countries and beyond borders'.

Keung, now 22, is turning into a style and Canto-pop icon. Just a few years ago, he was still struggling with his self-identity and living under the **stereotype** of a fat kid.

It is important to remember he is not the only one to experience such a **dramatic transformation** - and it takes a lot of courage to overcome the challenges he faced.

Keung To inspires me a lot.
His experience and his songs
give me strength. Through his
story, I have learned to
overcome all challenges ahead
of me with courage and
determination.

Thank You!
