

MORNING SHARING

6th December, 2023

5D Ou Yong Hua

Let us pray

In the name of the Father, and of the Son,
and of the Holy Spirit, Amen.

Our Father in heaven, holy be your name;
your kingdom come;
your will be done on earth
as in heaven.

Give us today our daily bread.

Forgive us our sins as we forgive those
who sin against us.

Do not bring us to the test,
but deliver us from evil.
Amen.

In the name of the Father,
and of the Son,
and of the Holy Spirit, Amen.

My Favourite TV Drama

Good morning everyone. I am Ou Yong Hua from 5D. Today I am going to share with you my favorite TV drama – The Queen of News, which goes viral among netizens in China recently.

The drama talks about the wrestling between two prime-time news anchors Man and George, who are the aces in the news station SNK News.

Unlike many other TV dramas in China nowadays, **The Queen of News** highlights professionalism as journalists and the collaboration in the news industry.

My favourite character in The Queen of News is Man. She is a responsible journalist who often takes the initiative to research the cases, so that the genuine side of the news can be revealed to the public. Her perseverance in searching for the truth is worth learning from.

In The Queen of News, there are some inspiring quotes which are familiar among the die-hard fans. For instance, “If you have the ability, anywhere is a stage”, “I just want to present the truth to the public” and “What goes around, comes around”.

Among all, the most encouraging one is “I have nothing to lose”. Here, I can feel the power to drive me forward with all my strength and courage.

In conclusion, this drama has successfully inspired us to think about real-life issues, such as women's independence and the professional ethics of news anchors. At the same time, we are also able to understand the pressure and hardship of journalists.

Thank you.
