Wonderful Teachers By Amber Rainer

Teachers at school may get onto you.
They may yell and fuss
But they love you like crazy and they would do anything to help
Teachers wonder and wonder but no one tells
When you let it go you start to wail
Teachers are always there to help you out
If you can't talk to your parents
Find a teacher you trust
They can help you a lot if you're in a bad crunch!
Trust teachers when you're in a really bad time
They will help you throw life and death situations
They really do care!
Give them a chance!
