"A Smile" by Jez Alborough

Smiling is infectious,
 You catch it like the flu.
 When someone smiled at me today
 I started smiling too.
 I passed around the corner
 And someone saw my grin.
 When he smiled, I realised
 I'd passed it on to him.
 I thought about my smile and then
 I realised its worth.
 A single smile like mine could travel
 Right around the earth.
 If you feel a smile begin
 Don't leave it undetected.
 Let's start an epidemic quick
 And get the world infected.
